

CORE BUSINESS

**COACHING & MENTORING**

Why **Business Coaching**? Our **Business Coaches** are experienced entrepreneurs and business owners themselves who decide to use their talents for building and growing a business to help other business owners reach their goals.

In our **Business Mentoring** program, both the mentor and the mentee gain personal and professional experience. The mentor will gain personal fulfillment, leadership skills, communication skills, and career advancement experience, while the mentee gains the mentor's experience, skills, and professional contacts.
